

Jabra

GLOBAL NO. 1 IN HEADSETS

Sometimes you wish you had just one

The groundbreaking Jabra Multiuse headsets will switch effortlessly between your mobile phone and your desk phone or computer. Now one headset is enough for all your telephony needs.

See the many benefits of using Multiuse headsets in the [Multiuse video here](#) or call us today at.

Newmarket: (905) 853-2335 x551

Toronto: (416) 798-7267 x551

Barrie: (705) 735-2441 x551

We look forward to hearing from you.
