The IOOF Senior Homes is a charitable not-for-profit corporation situated in Barrie.

The complex contains the largest of Barrie's seven operating long-term care homes providing full care for the frail elderly.

The "Young at Heart Ride...Supporting Seniors", to be held on Sept. 19th, 2009 is a fund-raising event for a Phase 2 retrofit of the existing facility to accommodate 66 long-term-care beds.

High Tech Communications is proud to be one of its sponsors.
